Examiner's Statement of Reasons for Allowance

The claims are allowable over the prior art of record for at least the following reasons:

As per independent claims 1 and 7:

The prior art of record does not teach, nor fairly suggest, providing a memory interface within an algorithm module where the algorithm module is reentrant within a preemptive environment and the memory interface supports BOTH dynamic object instantiation and design-time object instantiation, operatively coupled as claimed.

Any comments considered necessary by Applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
